Boffin	For Y1 – Y2	Monday 15:45-16:45	Termly Cost N/A
<p>Did you know that food colouring is afraid of dishwashing soap? Or is it really? Well, come along and join the Boffin Club to find out the answer. This term we will carry out experiments, make predictions and even test our ideas. You will have the opportunity to find out the answers to lots of mind-boggling questions. All you need to bring along with you is a curious mind and lots of questions to carry out different experiments each week. Warning, some experiments might get messy!</p> <p>Minimum number: 9 Maximum number: 12</p> <p>Provided by Ms Joachim Number of sessions: 8</p>			

Crest Club	For Y3 – Y5	Monday 15:45-16:45	Termly Cost N/A
<p>Work towards a British Science Association CREST award in weekly STEM sessions at school! Each week our scientists will plan and carry out experiments to solve real life problems! Complete 8 activities over the term, fill in your passport and you can get a CREST award certificate and badge! Brilliant fun and we will also learn to think more like scientists and engineers.</p> <p>Minimum number: 10 Maximum number: 16</p> <p>Provided by Dr King Number of sessions: 8</p>			

Latin	For Y3 – Y7	Wednesday 15:45-16:45	Termly Cost N/A
<p>Learn the basics of Latin as we plough through the Cambridge Latin Course like Miss Richards and Mr Morse did when they were at school. We'll also learn a little about the Roman world whilst building our vocabulary and spelling skills to help with English writing and comprehension. Those who've already taken Latin with me before, can come back for more and work at a higher level or begin the course again.</p> <p>Minimum number: N/A Maximum number: 25</p> <p>Provided by Mr Morse Number of sessions: 8</p>			

Build a Pet: Ostrich	For Y1 – Y5	Wednesday 15:45-16:45	Termly Cost \$310
<p>Do you ever wonder how some animals move? What can we learn from animals through an engineering perspective? In this class, you will look at the movement of an Ostrich. You will learn about their funny movements when they walk and run. After which, you will build your pet robot Ostrich with its circuits that powers the movements. At the end of the season, you will experiment with your friends! *Students will get to bring home their ostriches at the end of the term.</p> <div style="text-align: center;">  </div> <p>Minimum number: 4 Maximum number: N/A</p> <p>Provided by Witty Mitty Number of sessions: 8</p>			

Junior Aviation	For Y1 – Y3	Wednesday 15:45-16:45	Termly Cost \$320
<p>A top-of-the-line aviation and drone program to inspire the aviators of the future. Pupils will learn the principles of aerodynamics through scientific experiments. They will learn about the history of aviation, famous aviators such as the Wright Brothers and various types of aircraft ranging from fighter planes to jets. The world of aviation will be opened to pupils as they learn the parts of aeroplanes and how the shape of wings helps the planes to fly. There will be plenty of hands-on activities with aviation/physics concepts to reinforce learning using paper planes, propellers, kites, gliders, parachutes, rocket stompers, etc. The highlight of this ECA is when pupils learn to fly their first mini drone on their own.</p> <p>Minimum number: 10 Maximum number: 25</p> <p>Provided by Pegasus AC Number of sessions: 8</p>

Creative

Origami Club	For Y1 – Y3	Monday 15:45-16:45	Termly Cost N/A
<p>Origami is the art of paper folding, which is often associated with Asian culture. It has many benefits for our students. It helps to develop hand-eye co-ordination, sequencing skills, attention skills, patience, temporal spatial skills, and problem-solving abilities. It is also a great stress-reliever; plus, it's fun! Young pupils are welcome to sit-down after a whole day of hard working!</p> <p>Minimum number: 4 Maximum number: 6</p> <p>Provided by Ms Winnie Number of sessions: 8</p>			

Performance Arts (Trinity Drama)	For Y1 - Y7	Monday 15:45-16:45	Termly Cost \$335
<p>Great news! Our Trinity College London Drama Qualifications program is going to be extended into our ECA programme, for group performance. The performance arts programme will primarily help children develop expression through voice and action. Whether it is singing, dancing, acting or designing for theatre, every child will have a role to play and show-off their skills. The sessions are not just about getting a Drama qualification; but developing the skills to be well-rounded performers and 21st century voices with confidence and conviction. Students who enroll will prepare a group performance in term 2. However, for students who enroll for 2 consecutive terms, there will be an opportunity to sit for the group digital grade exam for Performance Arts in term 3 to add to their portfolio!</p> <p>All exam registration fee and material costs are included in the fees.</p> <p>Minimum number: 5 Maximum number: N/A</p> <p>Provided by The Playhouse Workshop Number of sessions: 8</p>			

Rock Band (FOBISIA)	For Y7	Monday 15:45-16:45	Termly Cost N/A
<p>Would you like to be the next Eddie Van Halen, Neil Pert, Justin Bieber or Ariana Grande? Join Mr Junaidi's rock band ensemble and learn how to sing, play the guitar, bass, drums, keyboard, and ultimately to have fun! You will learn basic to intermediate rock band techniques and concepts, including how to overcome stage fright! So what are you waiting for? Be the next rock star! Sadly, this event is only open to Year 7s as they have been selected to compete in FOBISIA's upcoming Battle of The Band in March 2023.</p> <p>Minimum number: 4 Maximum number: 6</p> <p>Provided by Mr Junaidi Number of sessions: 8</p>

Parents will be notified if their child's submission is handed forth.</p> <p>Minimum number: 8 Maximum number: 12</p> <p>Provided by Mr Tiui Number of sessions: 8</p>			

Kintsugi Experience – Learning to Embrace Imperfections	For Y5 – Y7	Friday 15:45-16:45	Termly Cost N/A
<p>Creative and artistic students will love the chance to take an old piece of pottery and breathe new life into it. Kintsugi is a unique Japanese art form where broken pottery is repaired with gold, creating a beautiful and new object. Students will learn the techniques and philosophy of the art, and engage in a slow, multi-layered process where the aim is connection, not perfection. With the understanding that each broken piece of pottery has a story to tell, students will conclude the process understanding that Kintsugi is a powerful metaphor for life and that nothing is ever truly broken.</p> <p>Minimum number: 4 Maximum number: 8</p> <p>Provided by Ms Joanna Number of sessions: 8</p>			

Perse Got Talent – Sing! Version	For Y3 – Y7	Friday 15:45-16:45	Termly Cost N/A
<p>Can't get enough of Perse Got Talent? Love singing? Come on over and share your talent with us. Every week, participants get to take centre stage and sing their favourite songs with music provided and receive feedback from their peers. Participants build confidence and camaraderie through small group performances and common interest. Participants can choose to sing English, Chinese songs, or songs in their Mother Tongue. They can perform duets, a cappella, or creative alterations of songs. Participants will be well prepared for the actual event!</p> <p>Minimum number: 5 Maximum number: 10</p> <p>Provided by Mr Eugene Number of sessions: 8</p>			

Warhammer Club	For Y6 - Y7	Monday 15:45-16:45	Termly Cost N/A
<p>Warhammer is a tabletop battle simulator. Pupils choose armies to collect, build, paint and play games. The games are based on dice roles for outcomes and estimating and measuring for movement. There are 2 games to choose from: Age of Sigmar, set in the realms created by the shattered world that once was, mighty armies clash with steel, arrows and magic. Who will conquer the realms? The other game is Warhammer 40k. Set in a dystopian future, armies of the imperium of man battle alien empires and the sinister forces of chaos, across the galaxy. In the 41st millennium, there is only war!</p> <p>Minimum number: 6 Maximum number: N/A</p> <p>Provided by Mr Holland & Mr Teng Number of sessions: 8</p>
